

OWNER – Kimberly Duncan

Duncan Enterprises provides engineered turnkey solutions for HVAC and process equipment used in the Bio-Pharma industries.

Our services include engineering design assistance, feasibility studies, equipment selection, and project coordination. We also provide start-up assistance and services, preventive maintenance and proactive post-sale technical support for the life of your systems. We represent leading manufacturers, and proudly serve customers worldwide. *Established 1989.*

www.stellar.net

Stellar - Packaged Ammonia Chillers for Secondary Refrigerants, Including Water, Glycol, and CO2

- Standard and custom packages for industrial refrigeration, process cooling, and HVAC applications
- Natural, environmentally friendly refrigerant options (0 ODP, 0 GWP)
- Energy efficient • Engineering and PSM Services • Nationwide parts, service, installation

www.tri-mer.com

Tri-Mer - Air Pollution Control

- Horizontal Crossflow Scrubber guarantees permit level stack emissions for HCl, HNO3, HF, H2SO4, Cl2, H2S, NH3
- VF Packed Bed Scrubber for the highest loadings of fumes and gases
- Ammonia scrubbers (paired with Stellar ammonia chillers)
- Tri-NOx® Multi-Chem Scrubber for control of NO, NO2, NOx
- Whirl Wet dust collector for dusts over 3 microns
- Tri-Flow HEPA performance filters with a MERV 16 rating

ANGUIL

www.anguil.com

Anguil Environmental Systems - Thermal Abatement

- Emission abatement solutions for Bio-Pharma and other industries
- Regenerative thermal oxidizers, regenerative catalytic oxidizers, catalytic recuperative oxidizers, thermal recuperative oxidizers, direct-fired thermal/catalytic oxidizers, vapor combustors, zeolite and carbon concentrators, halogenated oxidizers/acid gas scrubbers

KemTuff™

www.kemtuff.com

Kem-Tuff - Halar Coated Stainless Steel Process Exhaust Ducts

- FM-approved Kem-Tuff™ products combine the toughness of stainless steel with the corrosion resistance of HALAR-ECTFE® fluoropolymer, to outperform conventional duct materials for venting corrosive gases and vapors
- Components are manufactured to or above SMACNA specifications and carry a union label

GREEN
& COOL

www.greenandcool.com

Green & Cool - Sustainable Refrigeration

- Transcritical Refrigeration Systems for pharma applications use environmentally-friendly CO2 refrigerant
- Single and multiple-compressor systems
- MT / LT / HT configurations
- Simple, "plug-and-play" installation
- Small units to large, walk-in systems
- Low noise option

www.guntnerus.com

Güntner - Component Manufacturing for Refrigeration and Air-Conditioning

- Evaporative condensers • Condensers • Air coolers • Drycoolers • Controls • Adiabatic
- Plate heat exchangers • CO2 Evaporators • Brands: Güntner, JAEGGi, thermowave

BUFFALO AIR HANDLING

www.buffaloair.com

Buffalo Air Handling - Units

- Heavy duty 16 gauge panel construction, stainless steel, aluminum or galvanized steel
- Foam in place or fiberglass insulation • Sound, leakage and performance • Vibration and panel deflection testing • Local California startup and warranty

www.tkmodular.com

Turn-Key Modular Systems

- Custom Process Modules • Fermentation & Bioreactor Systems • Chromatography, Filtration & Purification Skids • Bio-Waste Hold, Kill & Neutralization Skids • Media & Buffer Prep & Hold Systems • Formulation & Compounding Systems • Continuous Sterilization and HTST Systems • CIP Systems both Portable and Fixed • WFI / Purified Water - Heating, Cooling & Pump Distribution Skids

www.budzar.com

Budzar Industries - Process TCUs and Chillers

- Process fluid heat transfer systems • Reactor & Jacket vessel temperature control systems • Biowaste decontamination systems • Clean in place systems • PLC programing & control services • Portable chillers • Hot oil units • Central chillers • Cooling towers and tank set units • Cold rooms • Wide temperature range of products -100°C to 400°C with various environmentally friendly refrigerants • ISO 9001/2008 certified company

www.bmtus.com

BMT USA, LLC - Sterilizers, CSG

- Full cGMP Sterilizers, CIP / SIP systems, Class 10,000 and other dry heat ovens, water stills, pure steam generators, water purification • For laboratories: sterilizers, incubators, ovens, process vessels

www.custom-powder.com

Custom Powder Systems

- Contain, blend, and transport dry powder materials for bio/pharmaceutical, food, nutrition supplement and industrial manufacturing • Blenders, bins, lift systems, cleaning systems, transfer and anti-segregation systems, specialty products

www.integratedcontainmentsystems.com

Integrated Containment Systems

- High-level containment/isolation products and systems for the pharmaceutical, biomedical, biologic, radiopharma and nuclear industries • Isolators, downflow booths, lyo transfer carts, and process enclosures

Mailing Address: P.O. Box 9058 • San Diego, CA 92169
Packages Only: 4629 Cass St., Ste. 258 • San Diego, CA 92109
Cell: (619) 804-4000 • Office: (858) 272-1779 • Fax: (858) 272-1777
