

OWNER – Kimberly Duncan

Duncan Enterprises provides engineered turnkey solutions for HVAC and process equipment used in the Bio-Pharma industries.

Our services include engineering design assistance, feasibility studies, equipment selection, and project coordination. We also provide start-up assistance and services, preventive maintenance and proactive post-sale technical support for the life of your systems. We represent leading manufacturers, and proudly serve customers worldwide. *Established 1989.*

### Stellar - Packaged Ammonia Chillers for Secondary Refrigerants, Including Water, Glycol, and CO2

- Standard and custom packages for industrial refrigeration, process cooling, and HVAC applications
- Natural, environmentally friendly refrigerant options (0 ODP, 0 GWP)
- Energy efficient
- Engineering and PSM Services
- Nationwide parts, service, installation

[www.budzar.com](http://www.budzar.com)

### Budzar Industries - Process TCUs and Chillers

- Process fluid heat transfer systems
- Reactor & Jacket vessel temperature control systems
- Biowaste decontamination systems
- Clean in place systems
- PLC programing & control services
- Portable chillers
- Hot oil units
- Central chillers
- Cooling towers and tank set units
- Cold rooms
- Wide temperature range of products -100°C to 400°C with various environmentally friendly refrigerants
- ISO 9001/2008 certified company

[www.wastech.com](http://www.wastech.com)

### Wastech Controls & Engineering - Process System Integrator: Chemical Handling, Water and Wastewater Treatment

- pH adjustment systems
- BioKill systems
- Solvent collection systems
- Solvent pump lift stations
- Solvent dispense systems
- Chemical collection cabinets
- Chemical pump lift stations
- Chemical dispense, blending and batching systems
- Process cooling water systems
- Heavy metal/fluoride removal systems
- Water recycling / vacuum distillation systems
- Custom industrial process skids
- An ISO 9001 certified company

[www.tri-mer.com](http://www.tri-mer.com)

### Tri-Mer - Air Pollution Control

- Horizontal Crossflow Scrubber guarantees permit level stack emissions for HCl, HNO3, HF, H2SO4, Cl2, H2S, NH3
- VF Packed Bed Scrubber for the highest loadings of fumes and gases
- Ammonia scrubbers (paired with Stellar ammonia chillers)
- Tri-NOx® Multi-Chem Scrubber for control of NO, NO2, NOx
- Whirl Wet dust collector for dusts over 3 microns
- Tri-Flow HEPA performance filters with a MERV 16 rating

### Therma Process Systems - Stainless Steel Process Skids

- A commitment to quality, schedule, budget, and pro-active solutions to clients' process and fabrication needs
- Large scale chromatography liquid handling modules
- CIP, filtration, Ultrafiltration • WFI storage • Distribution • In-house automation

[www.therma.com/service/fabrication-shop/](http://www.therma.com/service/fabrication-shop/)

### Custom Powder Systems

- Contain, blend, and transport dry powder materials for bio/pharmaceutical, food, nutrition supplement and industrial manufacturing
- Blenders, bins, lift systems, cleaning systems, transfer and anti-segregation systems, specialty products

[www.custom-powder.com](http://www.custom-powder.com)

### Integrated Containment Systems

- High-level containment/isolation products and systems for the pharmaceutical, biomedical, biologic, radiopharma and nuclear industries
- Isolators, downflow booths, lyo transfer carts, and process enclosures

[www.integratedcontainmentsystems.com](http://www.integratedcontainmentsystems.com)

### Buffalo Air Handling - Units

- Heavy duty 16 gauge panel construction, stainless steel, aluminum or galvanized steel
- Foam in place or fiberglass insulation
- Sound, leakage and performance
- Vibration and panel deflection testing
- Local California startup and warranty

[www.buffaloair.com](http://www.buffaloair.com)

### Kem-Tuff - Halar Coated Stainless Steel Process Exhaust Ducts

- FM-approved Kem-Tuff™ products combine the toughness of stainless steel with the corrosion resistance of HALAR-ECTFE® fluoropolymer, to outperform conventional duct materials for venting corrosive gases and vapors
- Components are manufactured to or above SMACNA specifications and carry a union label

[www.kemtuff.com](http://www.kemtuff.com)

### Anguil Environmental Systems - Thermal Abatement

- Emission abatement solutions for Bio-Pharma and other industries
- Regenerative thermal oxidizers, regenerative catalytic oxidizers, catalytic recuperative oxidizers, thermal recuperative oxidizers, direct-fired thermal/catalytic oxidizers
- Vapor combustors, zeolite and carbon concentrators, halogenated oxidizers/acid gas scrubbers
