

OWNER – Kimberly Duncan

Duncan Enterprises provides engineered turnkey solutions for HVAC and process equipment used in the Bio-Pharma industries.

Our services include engineering design assistance, feasibility studies, equipment selection, and project coordination. We also provide start-up assistance and services, preventive maintenance and proactive post-sale technical support for the life of your systems. We represent leading manufacturers, and proudly serve customers worldwide. *Established 1989.*

www.bfc-tech.com

BFC Technologies Inc. - Custom and Complex Bio-Process Systems

- Design, Fabrication, FAT • Installation and SAT of Super Skids • Bio-Reactors
- TFF systems, CIP, WFI storage and Distribution • Heat Inactivation Systems
- ISO 9001:2015, ASME B31.1 and ASME B31.3 • Animal Health

www.budzar.com

Budzar Industries - Process TCUs and Chillers

- Process fluid heat transfer systems • Reactor & Jacket vessel temperature control systems • PLC programming & control services • Portable chillers • Hot oil units
- Central chillers • Cooling towers and tank set units • Cold rooms • Wide temperature range of products -100°C to 400°C with natural refrigerants, propane, ammonia and CO2
- ISO 9001/2008 certified company

www.wastech.com

Wastech Controls & Engineering - Process System Integrator: Chemical Handling, Water and Wastewater Treatment

- pH adjustment systems • BioKill systems • Solvent collection systems • Solvent pump lift stations • Solvent dispense systems • Chemical collection cabinets
- Chemical pump lift stations • Chemical dispense, blending and batching systems
- Process cooling water systems • Heavy metal/fluoride removal systems • Water recycling / vacuum distillation systems • Custom industrial process skids
- An ISO 9001 certified company

www.tri-mer.com

Tri-Mer - Air Pollution Control

- Horizontal Crossflow Scrubber guarantees permit level stack emissions for HCl, HNO3, HF, H2SO4, Cl2, H2S, NH3 • VF Packed Bed Scrubber for the highest loadings of fumes and gases • Ammonia scrubbers (paired with Stellar ammonia chillers)
- Tri-NOx[®] Multi-Chem Scrubber for control of NO, NO2, NOx • Whirl Wet dust collector for dusts over 3 microns

www.custom-powder.com

Custom Powder Systems

- Contain, blend, and transport dry powder materials for bio/pharmaceutical, food, nutrition supplement and industrial manufacturing
- Blenders, bins, lift systems, cleaning systems, transfer and anti-segregation systems, specialty products

www.integratedcontainmentsystems.com

Integrated Containment Systems

- High-level containment/isolation products and systems for the pharmaceutical, biomedical, biologic, radiopharma and nuclear industries
- Isolators, downflow booths, lyo transfer carts, and process enclosures

BUFFALO AIR HANDLING

www.buffaloair.com

Buffalo Air Handling - Units

- Heavy duty 16 gauge panel construction, stainless steel, aluminum or galvanized steel
- Foam in place or fiberglass insulation
- Sound, leakage and performance
- Vibration and panel deflection testing
- Local California startup and warranty

KemTuff™

www.kemtuff.com

Kem-Tuff - Halar Coated Stainless Steel Process Exhaust Ducts

- FM-approved Kem-Tuff™ products combine the toughness of stainless steel with the corrosion resistance of HALAR-ECTFE® fluoropolymer, to outperform conventional duct materials for venting corrosive gases and vapors
- Components are manufactured to or above SMACNA specifications and carry a union label

ANGUIL

www.anguil.com

Anguil Environmental Systems - Thermal Abatement

- Emission abatement solutions for Bio-Pharma and other industries
- Regenerative thermal oxidizers, regenerative catalytic oxidizers, catalytic recuperative oxidizers, thermal recuperative oxidizers, direct-fired thermal/catalytic oxidizers
- Vapor combustors, zeolite and carbon concentrators, halogenated oxidizers/acid gas scrubbers

Mailing Address: P.O. Box 9058 • San Diego, CA 92169

Packages Only: 4629 Cass St., Ste. 258 • San Diego, CA 92109

Cell: (619) 804-4000 • Office: (858) 272-1779 • Fax: (858) 272-1777
